

CHIRO COMFORT
collection

ABOUT CHIRO COMFORT

Chiro Comfort provides a full range of support levels to meet the needs of all sleeping styles - back & front sleepers, and side sleepers. Mattresses available in foam and coil, both continuous and pocketed to ensure the right fit is available, and to enhance every type of sleeper's experience.

FEATURES & BENEFITS

Custom Support: Whether it is a *Continuous Coil, Pocket Coil, or Foam Core*, Chiro Comfort contours to your body, evens weight distribution and reduces pressure points.

Motion Transfer: Sleep undisturbed with *High-Density Foam* that reduces motion transfer.

Temperature Regulation: Stay cool when resting with an *ECOTEX™ Gel Infused Foam*. Designed to circulate air, and distribute body heat throughout the mattress.

Moisture Wicking: *Conforma Fiber* provides soft cushioning, increases air circulation and breathability within the mattress for a better night's rest.

Noises Reduction: A *Fiber Pad Insulator System* reduces noise and provides protection between coils and upholstery layers.

Increased Sleeping Surface: *Foam Encased Edge* provides 20% more sleeping surface and stability than a similar size mattress that does not have them.
