ANTIBACTERIAL & ANTIVIRAL

Nano Shield Technology provides effective protection against unwanted bacteria, viruses, and odors.

TEMPERATURE REGULATION

ECOTEX Gel Infused foam draws heat away from your body, keeping you cool and comfortable.

REDUCED MOTION TRANSFER

Less bounce and movement means more uninterrupted sleep for you and your partner.

CUSTOM SUPPORT

A bed for every back, **Breathe contours** to your body and evenly distributes weight across the mattress.

MOISTURE WICKING

Natural Blended Fibers provide luxurious cushioning, increase air circulation, and improve breathability.

INCREASED SLEEPING SURFACE

All **Breathe** mattresses provide edge-to-edge support for a more comfortable resting experience.
